

Together *for* Safe Kids

By supporting the Summit County Children Services' levy, we can work together to help keep kids safe. Levy funding accounts for approximately 60% of the agency's total operating budget. Your sponsorship ultimately allows the agency to support children and families. The sponsorship levels below fund services and supportive programs paid for with levy dollars. Please give to our levy Fund-A-Need so we can continue to make a difference when a child needs it most.
